SHORT BIO

Im an undergraduate student passionates in the fields of machine learning ,deep learning and algorithm. I spent my first two years of college life in Shandong University which equipped me with solid programming and mathematics skills. I am currently studying computer vision and neural network in ANU, hoping to get a research opportunity in relative fields.

EDUCATION

Australian National University   *July 2019 - Present*
Bachelor of Advanced Computing(Honours)
ANU College of Engineering and Computer Science
Current GPA: 6.0/7.0

Shandong University   *2017-2019*
Bachelor of Computer Science
School of Mechanical, Electrical & Information Engineering

EXPERIENCE

IIFOX Shanghai   Jan 2019 - Feb 2019
Software Development Internship

Responsibilities include:

- Cooperate with colleagues in development department

- Maintaining call centre system and develop new functions based on ASP.NET framework

- Deploying system in various environment

Minister of Student Union   Jun 2018 Jun 2019
Shandong University, School of Mechanical, Electrical & Information Engineering

ICPC School Team Member   Jan 2018 Jun 2019
Shandong University, ICPC School Team

AWARD & ACCOMPLISHMENTS

The 10th Shandong technology festival The 9th Shandong Collegiate ACM Programming Contest, The Excellence Award
May 2018
Organizer: Shandong Computer Federation

The 9th Lanqiao Programming Contest, Shandong Provence, C/C++ Programming Pollegiate A Group, The Province Second Award
Apr 2018
Organizer: Talent exchange center of Ministry of industry and information technology

CCCC Group Programming Ladder Tournamen, National Finals, The Second Award
Mar 2018
Organizer: Zhejiang University

Shandong University (weihai) ACM Programming Contest 2018 New Stars, The Silver Award

Mar 2018
Organizer: Shandong University

TECHNICAL STRENGTHS

Programming & Skills(Proficient)	C++, C , Python, Data Structure, Algorithm
Programming & Skills(Familiar)	Ada, HTML/PHP, C#, Java
